

BUZZFEED-The FMES School Newsletter

Week of December 3, 2017

FMES Angel Tree

Thank you to everyone that adopted one of our angels for this holiday season. As you prepare to turn in the purchased items, please have items wrapped in a gift bag with tissue paper. Thank you so much for considering making this holiday season special for our students and their families!

If you were unable to adopt an angel, but you would still like to try to help a family, we are accepting gift cards from stores like Wal-Mart, Target, etc. to give to families during this holiday season. If you would like to contribute, just send in a gift card and we will make sure, it gets to a family in need. No amount is too small. Thank you!

FMES Holiday Lunch!

Mark your calendars! All parents are invited to join their children for our FMES Holiday Luncheon on **Friday, December 15th**. Our cafeteria is preparing a wonderful lunch for all to enjoy! A flier went home last week with detailed information regarding meal price and the adjusted time schedule. You **MUST** complete the slip at the bottom of the flier and turn it in so that we know about how many people to expect. Payment for meals for this event (not to include FMES student meals) can be made online under your student's pay fees tab (the same way you pay for field trips). You can also pay for meals at the door on the day of the event using cash or check. We look forward to seeing you there!

FMES Traffic

Parents, please remember that in the mornings (no matter how cold it is) you must pull all the way around when dropping off your children. Please do not stop at the front door to let children out. We understand that it is cold, but if your children are properly dressed in coats, hats, etc. they should be fine as they walk to the front door of the building. Not pulling all the way around leads to traffic back up on Springfield Parkway. Thank you for your understanding and your cooperation.

Limited Cafeteria Seating

Due to the stage being set up for the winter performance, there will be limited seating for parent/student lunch in the cafeteria from **November 27-December 7th**. Please consider limiting lunch visits with your children during this time. We appreciate your consideration.
