Foundation for Fort Mill Schools

The Foundation for Fort Mill Schools is an essential resource connecting students, teachers and the community in the Fort Mill School District. The Foundation promotes academic excellence through direct financial support of projects, activities, educational assistance and professional development. To date, over \$50,000 in Innovative Classroom Projects, Professional Development, and Technology opportunities have been funded and over \$70,000 has been awarded in college scholarships. Through Charitable Events (TEC Dowling Memorial Golf Tournament and the Chili Cookoff), and Community Partnerships, the Foundation funds Grants, Scholarships, and the Classroom Ready initiative which provides students and teachers with much-needed supplies. **In short, this is an organization that has a direct, positive impact on our Fort Mill School District Students, Parents, and Staff.**

This is why I ask each of you to do the following, so we can increase awareness and support for the Foundation:

- 1.) "Like" the Foundation's Facebook Page (Foundation for Fort Mill Schools)**
- 2.) Follow the Foundation on Twitter @FFMSnews**
- 3.) Follow the Foundation on Instagram: foundationforformschools**
- 4.) Share this message with your followers, and encourage them to do the same via their communications.**

Thank you in advance for "Being Social" and helping us in our efforts to increase awareness of all the ways that the Foundation for Fort Mill Schools benefits our Students, Staff, and Community!
